Ritsumeikan Language Course, August 2021 will run together with the regular course: Intensive August 02/08/2021 - 31/08/2021, Language (SFL Virtual System), offered to international students interested on learning and increasing their level of Spanish all around the world: <https://www.alcalingua.com/en/courses/sfl-virtual-system-live-classes> .

The SFL Virtual System is a platform that offers live interactive online classes using a teaching methodology applied to virtual learning environment:

- Classes are live; schedules and duration are adapted to each level of language proficiency.
- Same syllabus as in a traditional classroom.
- Small class sizes that allow teachers to devote more time to instruction.
- Learners and instructors engage with one another through an interactive and a multi-screen class software.
- Course learning outcomes and materials are the same as in a traditional classroom.
- The SFL Virtual System reinforces the continuous supervision and training of our instructors, who are experts in teaching Spanish with a recognized professional career.
